## Total Monthly Cost (Including Membership)

Level	Monthly Cost
Starter Range	\$156–\$215
Moderate Range	\$198–\$352
Higher Range	\$362–\$558

👉 Most patients: \$96–\$176/month

## Quick Notes for Patients

- Costs vary based on your dose and how your body responds
- Lower doses are more affordable; cost increases gradually over time
- Medication is optional and not included in membership
- **HSA/FSA accepted**
- Final pricing is always reviewed with you before ordering
- Pricing reflects medication at cost + monthly membership fee
